

St. Joseph School, ICSE

Nandakhal

Vision Statement

**“To inspire, challenge, and equip each and every child,
to glorify God with responsible leadership
and action in today's World”.**

PROSPECTUS

2024 - 2025

St. Joseph School, ICSE, Nandakhal

St. Joseph English School, State board was established in the year 2005.
It has now switch over to ICSE in year 2023-2024.

Message from Our Manager

Holy Spirit Church, Nandakhal is the Mother of Seven Churches in the vicinity of North Vasai. It is an ancient and prestigious Religious institution witnessing an era of more than 450 years and serving for the overall well being of the people in the society. In the thirties of the last century that is in 1939 this Church opened its ministry to educate and to uplift the children of this area. Last eighty years St. Joseph Educational Institution has selflessly strived to reach out to the least, the lost and the last child. Today it can proudly boast about its immense contribution for the overall development of the students and the society. Its alumni are shining in all the continents of the world and their virtues performances are seen from all the four corners of the universe.

St. Joseph Educational Institution has always progressed with the signs of times. It started as a Primary School and then it grew as a High School. In 1975 we started the Junior College and in 2005 with the signs of time, St. Joseph English Medium had its birth. The level of education is raising day by day, the expectants from the younger parents for quality and updated education are increasing hence last academic year in 2024-2025 on note of the 450 Jubilee year of Holy Spirit Church, we were fortunate to start our First Batch of St. Joseph ICSE School, a Golden feather in the Education Journey of St. Joseph Institution.

It was indeed heart-warming to note that on the very first year of admissions for Nursery and Junior K.G. we crossed more than 125 students. It would not be an exaggeration if I say that this could go down as a record in the genius book. During the last academic year which is our first year we have been sincere and committed to our cause. We have left no space for not being excellent and we have been striving to do more and plenty. The progress, the students have made is overwhelming and the efforts of our young and energetic staff under the able and hard-working leadership of Our Principal, Fr. Pradeep Dabre is praise-worthy. We intend to leave no knot untied so that the students do not miss the tiniest aspect of their personality formation. We appreciate the trust and confidence shown on us by the parents of our first batch. We assure that we will not let it down but on the contrary you will boast in history for being the parents of the first batch students.

As we progress, we intend to inculcate in our students a sound philosophy of life based on faith in God, respect for every individual, concern for the less privilege of the society, love for nature and the cardinal virtues of faith, hope and charity. We dream to kindly lead every child to the light of wisdom through enlightened learning ambience wherein the constitutional pillars based on foundational bricks of justice, liberty, equality, fraternity and human dignity are instilled and integrated.

We intend to mature every student into an adult and a proud citizen of the Nation through quality educational environment, value based holistic development, high standard academic excellence and broad minded global thinking. The foresight and discipline of the management, the enthusiasm and passion of the principal and the sincerity and hard work of our committed and dedicated staff will surely take our St. Joseph ICSE School to greater heights in the decades to come.

Fr. Thomas D'Souza, The Manager

The commanding officer of our fleet : Our Principal, Fr. Pradeep Dabre.

Dear Parents,

As we embrace the new ICSE board curriculum, we recognize the exciting journey ahead for our students and the essential role you play in it. Our commitment remains steadfast in providing a nurturing, innovative, and academically rigorous environment.

We urge you to stay engaged with your child's learning process, as collaborative support greatly enhances their education. Participate in school activities, communicate openly with teachers, and discuss your child's progress regularly.

Together, we will foster a space where curiosity is nurtured, critical thinking is encouraged, and the love for learning flourishes. Let's work hand-in-hand to guide our children towards their bright futures. Thank you for your unwavering support.

Warm regards,

Fr. Pradeep Dabre
Principal

What we aim to do

1. Personal growth in the intellectual, moral, physical, psychological and sociological spheres.
2. Progressive and holistic development of the child - fully human, wholly Indian, truly modern.
3. Providing a fun filled and exciting learning experience.
4. Fostering self discipline through moral instruction.
5. Cultivating leadership skills through participation and involvement in co-curricular activities.
6. Developing the power of expression through the avenues of public speaking, debates, dramatics, elocution, music and creative writing.
7. Preparing students to plan for their future careers.
8. Shaping responsible citizens who serve the society with confidence and dignity.

What we strive to do

1. Help young people recognize the Divine Presence in and around them.
2. Prepare students for a life that is healthy and morally sound which helps them keep away from the evil forces in the economical, social and political order.
3. Reject ideologies that threaten human dignity such as violence, hatred, injustice and gender discrimination.
4. Foster virtues like respect for people, obedience, gentleness, forgiveness, gratitude, honesty, loyalty, generosity and diligence.
5. Enable students to derive joy in stretching out their hands to the needy.
6. Cultivate love and appreciation for culture and traditions in the child.
7. Help the child take a keen interest in the happenings of other countries and keep them informed about significant changes.
8. Help the child develop a secular attitude with a multi-cultural outlook and respect for all religions.

Inauguration of the school - 30th March 2024.

Inauguration was done by Archbishop Felix Machado. Celebration with mass and inauguration of Classrooms Nursery and Jr. Kg and our School Website. "Small steps towards big dreams start today."
